SUMMARY

Economics graduate from Nova SBE with an interest in development economics, public policy, industrial organization, and economic regulation. Currently an Economist Intern at the Portuguese Energy Sector Regulator (ERSE), supporting Regulatory Impact Assessments and economic analysis. Native Portuguese speaker with experience coordinating data across multiple locations. Planning to pursue a Master's degree in Economics.

EDUCATION

Nova School of Business and Economics

B.Sc. in Economics

Lisbon, Portugal

09/2022 – 06/2026

Hochschule für Wirtschaft und Recht Berlin

Exchange Student

Berlin, Germany

03/2025 – 08/2025

SKILLS

Programming & Data Visualization: Stata, R (dplyr, ggplot2, tidyr), Python (pandas, NumPy, Matplotlib, statsmodels), Looker, Excel

Statistics: Regression analysis, causal inference, time series analysis, panel data econometrics, forecasting, hypothesis testing

Languages: Portuguese (native), English (fluent), Spanish (intermediate), German (basic)

WORK EXPERIENCE

Energy Services Regulatory Authority (ERSE)

Economist Intern

Lisbon, Portugal

09/2026 – Present

- Support Regulatory Impact Assessments (RIAs) for energy-sector regulation, applying OECD principles to evaluate policy alternatives and inform evidence-based decisions
- Analyze market, economic, and regulatory data to assess policy alternatives, stakeholder impacts, and regulatory outcomes

OSCAR

Data Analyst Summer Intern

Lisbon, Portugal

07/2024 – 08/2024

- Built supply shortage insights using Looker and Excel, analyzing KPIs from over 150 services across more than 2400 localities to optimize operational decisions
- Supported market expansion into 3 new Portuguese regions, coordinating cross-regional recruiting and content efforts that contributed to a 60% increase in GMV in the following months

ANSPP

Lifeguard

Peniche, Portugal

06/2023 – 08/2024

- Delivered first aid, CPR, and AED response along 200 meters of high-risk coastline, managing heavy surf and tourist volume
- Monitored swimmers and identified potential hazards, taking preventative action to maintain beach safety

EXTRACURRICULAR ACTIVITIES

Volunteering:

- AMI – International Medical Assistance (2022-25): raised funds to support humanitarian aid initiatives
- Food Bank Against Hunger (2013-21)

Activities:

- President, Students Union Assembly (2020/21): managed budget and meetings, representing 750 students
- Competitive Swimmer (U18); Guitar (Grade 5 Music Conservatory)

Scholarship by Altice Portugal: award for outstanding academic achievement (2022)
