Summary

Economics graduate from Nova SBE with interests in development economics, public policy, industrial organization, and economic regulation. Currently an Economist Intern at the Portuguese Energy Sector Regulator (ERSE), supporting Regulatory Impact Assessments and economic analysis. Planning to pursue a Master's degree in Economics.

Education

B.Sc. in Economics, Nova School of Business and Economics, 2026
Exchange Semester, Berlin School of Economics and Law, 2025

Work Experience

Energy Services Regulatory Authority (ERSE)

Economist Intern

Lisbon, Portugal
Sep 2026 – Present

- Support Regulatory Impact Assessments (RIAs) for energy-sector regulation by defining regulatory problems, objectives, and policy alternatives using OECD principles
- Analyze market, economic, and regulatory data to quantify the potential costs, benefits, and impacts of regulatory measures

OSCAR

Data Analyst Summer Intern

Lisbon, Portugal
Jul 2024 – Aug 2024

- Built supply shortage insights using Looker and Excel, analyzing KPIs from over 150 services across more than 2400 localities to optimize operational decisions
- Supported market expansion into 3 new Portuguese regions, coordinating cross-regional recruiting and content efforts that contributed to a 60% increase in GMV in the following months

ANSPP

Lifeguard

Peniche, Portugal
Jun 2023 – Aug 2024

- Delivered first aid, CPR, and AED response along 200 meters of high-risk coastline, managing heavy surf and tourist volume
- Monitored swimmers and identified potential hazards, taking preventative action to maintain beach safety

Extracurricular Activities

Volunteering: International Medical Assistance (AMI), 2022-2025; Food Bank Against Hunger, 2013-2021

Activities: President of the Student Union Assembly, 2020-2021; Competitive Swimmer U18; Grade 5 Music Conservatory

Scholarship by Altice Portugal: Award for outstanding academic achievement, 2022
